Dr. Ronald Laing
The Tavistock Institute of Human Relations
3 Devonshire Street
London W. 1
England

Dear Ronnie:

Thank you for your letter. I very much hope that they give you the opportunity to do the thinking and reading which you outline in your plan, and I shall do all that I can to support you as your reference.

It is high time that somebody did this thinking and reading.

Yours sincerely,

Gregory Bateson, M.A.
Ethnology Section
